

Uniclass 2015

En – Entities Table v1.17

July 2020

General changes

Following a requests from users, we have added two new codes in this update. We have also moved some storage classifications to more appropriate groups as part of our work to review the BIM4Water requirements. See below for details.

Particular changes

v1.16 Code	v1.17 Code	Classification	Notes
	En_40_05_27	E-sport buildings	Entity added
