## En – Entities Table v1.14

October 2019

### General changes

Our work with Transport for New South Wales and Transport for London has led to the addition of a number of Entities, and the rationalization of the freight depots into a more appropriate subgroup. See below for details.

### Particular changes

v1.13 Code	v1.14 Code	Classification	Notes
	En_75_30_78	Signalling control centres	Entity added.
	En_75_70_60	Operational control centres	Entity added.
