

Uniclass 2015

TE – Tools and Equipment Table v1.6

July 2019

General changes

We have reviewed the Tools and Equipment table. We have reorganized the codes and classifications to remove trademarked names, and to rationalize and correct the classifications throughout. See below for details.

Particular changes

v1.5 Code	v1.6 Code	Classification	Notes
TE_10_40_10	TE_10_40_85_01	Access doors	Tools and equipment section moved to new section as an object and amended from 'Access doors/traps'.
TE_10_40_40	TE_10_40_85_45	Keys	Tools and equipment section moved to new section as an object.
	TE_10_40_55	Formwork	Tools and equipment section added.
TE_10_40_50	TE_10_40_55_72	Road forms	Tools and equipment section moved to new section as an object.
TE_10_40_60	TE_10_40_55_77	Sheeting	Tools and equipment section moved to new section as an object and amended from 'Shutters/sheeting'.
	TE_10_40_55_79	Shutters	Tools and equipment added.
TE_10_40_70	TE_10_40_75_87	Telescopic floor centres	Tools and equipment section moved to new section as an object.
TE_10_40_80	TE_10_40_85_96	Formwork wedges	Tools and equipment section moved to new section as an object, and reclassified from 'Wedges'.
TE_10_40_90	TE_10_40_55_96	Wrot	Tools and equipment section moved to new section as an object.
	TE_10_40_85	Formwork accessories	Tools and equipment added.
	TE_10_40_85_03	Access traps	Tools and equipment added.
TE_10_60		Formwork sealing and cleaning products	Tools and equipment subgroup deleted as it is included in the Products table.
TE_10_80	TE_10_40_75	Formwork supports	Tools and equipment subgroup changed to new section.
TE_10_80_10	TE_10_40_75_89	Telescopic props	Tools and equipment section moved to new section as an object.

v1.5 Code	v1.6 Code	Classification	Notes
TE_20	No change	Scaffolding, access, shoring and screening	Tools and equipment group classification amended from 'Scaffolding, access, shoring and fencing'. Fencing is covered in the Systems and Products tables.
TE_20_10_10	No change	Access towers and platforms	Tools and equipment section amended from 'Access towers'.
TE_20_10_20	TE_20_10_10_52	Mobile working towers	Tools and equipment section moved to new section as an object.
TE_20_10_30	TE_20_10_10_54	Mobile elevating work platforms	Tools and equipment section moved to new section as an object.
TE_20_10_80	TE_20_10_10_86	Suspended work platforms	Tools and equipment section moved to new section as an object.
	TE_20_50_65	Shoring and planking	Tools and equipment section added.
	TE_20_50_65_15	Cleats	Tools and equipment added.
	TE_20_50_65_37	Horizontal shores	Tools and equipment added.
	TE_20_50_65_65	Planking timbers	Tools and equipment added.
	TE_20_50_65_81	Shoring wedges	Tools and equipment added.
	TE_20_50_65_85	Straining pieces	Tools and equipment added.
	TE_20_50_65_96	Wall plates	Tools and equipment added.
	TE_20_50_75	Struts	Tools and equipment section added.
TE_20_50_10	TE_20_50_75_02	Adjustable struts	Tools and equipment section moved to new section as an object.
TE_20_50_20	TE_20_50_65_06	Baulk timbers	Tools and equipment section moved to new section as an object.
TE_20_50_30	TE_20_50_65_23	Dogs	Tools and equipment section moved to new section as an object.
TE_20_50_40	TE_20_50_65_30	Folding wedges	Tools and equipment section moved to new section as an object.
TE_20_50_50	TE_20_50_65_56	Needles	Tools and equipment section moved to new section as an object.
TE_20_50_60	TE_20_50_75_75	Strutting timbers	Tools and equipment section moved to new section as an object.
TE_20_50_70	TE_20_50_65_83	Sole plates	Tools and equipment section moved to new section as an object.
TE_20_80	No change	Temporary screening structures	Tools and equipment section amended from 'Temporary fencing structures'.
TE_20_80_20		Fencing boarding	Tools and equipment section deleted.
TE_20_80_30		Fencing chestnut	Tools and equipment section deleted.
TE_20_80_40		Fencing panels	Tools and equipment section deleted.
TE_20_80_50		Fencing supports	Tools and equipment section deleted.

v1.5 Code	v1.6 Code	Classification	Notes
TE_30_10_50_74	No change	Rubbish crane buckets	Tools and equipment amended from 'Rubbish buckets'.
TE_30_70_50_14	No change	Lifting chains	Tools and equipment amended from 'Chains' for clarity.
TE_30_70_50_70	No change	Lifting ropes	Tools and equipment amended from 'Ropes' for clarity.
TE_30_70_50_95	No change	Lifting wires	Tools and equipment amended from 'Wires' for clarity.

v1.5 Code	v1.6 Code	Classification	Notes
TE_40_30_10_52	TE_40_70_10_52	Motor graders	Tools and equipment moved to a appropriate new section.
TE_40_30_10_87	No change	Tractors with angle dozer	Tools and equipment amended from 'Tractors with bull/ angle dozer'
TE_40_30_10_88	No change	Tractors with bull dozer	Tools and equipment amended from 'Tractors with dozer'
	TE_40_30_30_30	Four-in-one attachments	Tools and equipment added.
TE_40_30_30_52	TE_40_70_50_52	Motorized scrapers	Tools and equipment moved to a appropriate new section.
TE_40_30_30_53	TE_40_70_50_53	Motorized elevating scrapers	Tools and equipment moved to a appropriate new section.
TE_40_30_30_78		Semi-trailer tractor trucks	Tools and equipment deleted.
TE_40_30_30_87		Tractor loading shovels	Tools and equipment deleted.
TE_40_30_30_88		Tractor loading shovels with back hoe equipment	Tools and equipment deleted.
TE_40_30_30_89		Tractor loading shovels with four-in-one equipment	Tools and equipment deleted.
TE_40_30_30_90		Tractor loading shovels with ripper attachment	Tools and equipment deleted.
TE_40_50_10		Vehicles	Tools and equipment section deleted.
TE_40_50_10_15		Coaches/ buses	Tools and equipment deleted.
TE_40_50_10_60		Passenger/ goods cross country vehicles	Tools and equipment deleted.
TE_40_50_10_72	TE_50_70_60_72	Road sweepers with gully emptiers	Tools and equipment moved to a appropriate new section.
TE_40_50_10_77	TE_50_70_60_77	Self-propelled road cleaners	Tools and equipment moved to a appropriate new section and amended from 'Self-propelled road sweeper/ cleaners'.
TE_40_50_10_84		Station wagons	Tools and equipment deleted.
TE_40_50_10_94		Vans	Tools and equipment deleted.
TE_40_50_60_31		Fuel storage tanks	Tools and equipment deleted.
TE_40_50_60_47		LPG cylinders	Tools and equipment deleted.
TE_40_70_20_10	No change	Backhoe dredgers	Tools and equipment corrected from 'Buckhow diggers and scrapers'.
TE_40_70_50_77	TE_40_70_50_24	Drag scrapers	Tools and equipment amended, re-classified and coded from 'Scraper systems, gravel extraction'.

TE_40_70_90_07	TE_40_70_40_07	Backhoe loaders	Tools and equipment moved to an appropriate new section.
TE_40_70_90_34		Graders	Tools and equipment deleted.

v1.5 Code	v1.6 Code	Classification	Notes
TE_50_20_10_21	TE_50_20_10_63	Pile drilling machines	Tools and equipment amended, re-classified and recoded from 'Drilling machines for foundation piles'.
TE_50_20_10_22	TE_50_20_10_65	Post and mast hole drilling machines	Tools and equipment amended, re-classified and recoded from 'Drilling machines for post and mast holes'.
TE_50_20_10_23	TE_50_20_10_80	Soil exploration drilling machines	Tools and equipment amended, re-classified and recoded from 'Drilling machines for soil exploration'.
TE_50_20_20	No change	Pile drivers and pulling tools	Tools and equipment section amended from 'Pile drivers (rammers) and pulling tools'.
TE_50_20_20_43	No change	Internal drop hammers	Tools and equipment section amended from 'Internal drop hammers for use with cased piles'.
TE_50_20_20_94	No change	Vibrating extractors	Tools and equipment section amended from 'Vibrating hammer/ extractors'.
	TE_50_20_20_95	Vibrating hammers	Tools and equipment added.
TE_50_20_70		Diaphragm walling plant	Tools and equipment deleted.
TE_50_20_80	TE_70_20_85_40	Hydraulic pipe pushers	Tools and equipment moved to a new group and section as an object.
TE_50_40_70		Road drying equipment	Tools and equipment section amended from 'Gas infra-red units, road drying equipment'.
	TE_50_40_70_33	Gas infra-red road drying equipment	Tools and equipment added.
	TE_50_70_30_03	Asphalt repair kits	Tools and equipment added.
	TE_50_70_30_65	Pothole repair kits	Tools and equipment added.
	TE_50_70_60_77	Self-propelled road cleaners	Tools and equipment added.
TE_50_80		Planers	Tools and equipment subgroup deleted.
TE_50_80_20		Heater planers	Tools and equipment section deleted.
TE_50_80_40	TE_50_70_10_15	Cold planers	Tools and equipment section moved to a new section as an object.

v1.5 Code	v1.6 Code	Classification	Notes
TE_60_20_10	TE_60_20_15_84	Stone breakers	Tools and equipment section moved to new section as an object.
	TE_60_20_15	Breakers and crushers	Tools and equipment section added.
TE_60_20_30	TE_60_20_15_08	Brick crushers	Tools and equipment section moved to new section as an object.
TE_60_20_40	TE_60_20_15_35	Gyratory crushers	Tools and equipment section moved to new section as an object.

TE_60_20_50	TE_60_20_15_42	Impact-type crushers	Tools and equipment section moved to new section as an object.
TE_60_20_60	TE_60_20_15_36	Hammer crushers	Tools and equipment section moved to new section as an object.
TE_60_20_70	TE_60_20_15_72	Roller crushers	Tools and equipment section moved to new section as an object.
TE_60_30_10	TE_60_30_80_14	Circular vibratory screens	Tools and equipment section moved to new section as an object.
TE_60_30_20	TE_60_30_80_26	Eccentric vibratory screens	Tools and equipment section moved to new section as an object.
TE_60_30_40	TE_60_30_80_46	Linear vibratory screens	Tools and equipment section moved to new section as an object.
TE_60_30_70		Screens with electromagnetic drive	Tools and equipment deleted.
TE_60_40_40	No change	Silos	Tools and equipment section amended from 'Silos for gravel and broken stone'.
	TE_60_40_40_79	Silos for cement	Tools and equipment added.
TE_60_40_60	TE_60_40_05	Aggregate washing machines	Tools and equipment section recoded and revised from 'Washing machines, scoops for aggregates'.
TE_60_60_10_16	No change	Concrete processing systems with horizontal aggregate feed	Tools and equipment amended from 'Concrete systems with horizontal aggregate feed'.
TE_60_60_10_36	No change	Hand scrapers	Tools and equipment amended from 'Hand scrapers, scraper installations'.
TE_60_60_10_78	TE_60_40_40_78	Silos for aggregates	Tools and equipment amended from 'Silos for cement and aggregates' and moved to new section.
TE_60_60_20	No change	Concrete and mortar transportation equipment	Tools and equipment section amended from Concrete transport, concrete and mortar conveying'.
TE_60_60_20_18	No change	Concrete truck mixers	Tools and equipment amended from 'Concrete truck mixer/ agitators with separate engine with mechanical/ hydraulic drive to drum'.
TE_60_60_20_27		Equipment for washing out concrete residues	Tools and equipment deleted.
TE_60_60_20_54	No change	Mortar pumps	Tools and equipment amended from 'Mortar/ screed pumps'.
	TE_60_60_20_76	Screed pumps	Tools and equipment added.
TE_60_80_90		Diamond tools	Tools and equipment section deleted. Included in TE_70_50_40.

v1.5 Code	v1.6 Code	Classification	Notes
TE_70_10_10_50	TE_70_10_10_80	Site office fittings	Tools and equipment recoded and amended from 'Office fittings'.
TE_70_10_10_85	No change	Site store fittings	Tools and equipment amended from 'Store fittings'.
TE_70_10_10_89	TE_70_10_10_65	Portable toilet units	Tools and equipment recoded and amended from 'Toilet units'.

TE_70_10_20_85	TE_70_10_20_97	Water heaters	Tools and equipment recoded and amended from 'Steam generators, water heaters'.
TE_70_10_30_88	TE_70_10_30_85	Storm lamps	Tools and equipment recoded and amended from 'Tilley lamps'.
TE_70_20_10_38	TE_70_20_10_98	Welding helmets	Tools and equipment recoded and amended from 'Helmets'.
TE_70_20_30_72		Road cones	Tools and equipment deleted, included in Products table.
	TE_70_20_85	Pipe installation and maintenance equipment	Tools and equipment section added.
TE_70_40_50_15		Clinometer	Tools and equipment deleted. Included in Products table.
TE_70_40_70_27	No change	Electromagnetic distance measuring (EDM) instruments	Tools and equipment amended from 'Electro-magnetic distance measuring instruments (EDM instruments)'.
TE_70_40_70_70	No change	Ranging poles	Tools and equipment amended from 'Ranging rods, poles'.
TE_70_50_20_60		Pairs of footprints	Tools and equipment deleted as it was a duplicate of TE_70_50_20_67.
TE_70_50_20_62	TE_70_20_85_62	Pipe benders	Tools and equipment moved to new section.
TE_70_50_20_63	TE_70_20_85_63	Pipe cutters	Tools and equipment moved to new section.
TE_70_50_20_66	TE_70_20_85_66	Pipe threading equipment	Tools and equipment moved to new section.
	TE_70_50_80_01	Adjustable spanners	Tools and equipment added.
	TE_70_50_80_17	Cross head screwdrivers	Tools and equipment added.
	TE_70_50_80_30	Flathead screwdrivers	Tools and equipment added.
